

SPECIAL SHEET

This sheet has been attached only to those forms sent to madrichim and/or chaverim in Keshet.

Madrichim

Madrichim are required to be in Cape Town by **7th December 2009** and stay for the whole period including Rear-Guard (i.e. until **31st December**). Madrichim pay half price on the basic fee (R2100) and all other levies are included as is (refer to payment breakdown).

Transport and accommodation is arranged for all madrichim starting the evening **7th of December**. Madrichim do need to pay for their own transport though.

Please ensure that the indemnity form (attached) for madrichim is returned in place of the one inside the application form.

Keshet

Keshet is the oldest age group with chaverim in grades 10 – 12 (for the year 2009).

Each chaver/a in Keshet is invited to join their madrichim for the Rear-Guard period that starts immediately after camp and continues until **31st December 2009**.

Rear-Guard is the post-camp Netzer seminar where both madrichim and Keshet chaverim participate in policy decision-making, vote for Netzer South Africa positions for 2010 and, of course, have loads of fun with their friends! (Any more information would give away the surprises lined up this year ☺)

If you would like to join us for Rear-Guard, please ensure that the indemnity form (attached) for Keshet is returned in place of the one inside the application form.
