

# CAMP RULES

**By coming to camp both parent and chanich/a agree to comply with the following rules, as set out and followed by all chaverim at Netzer South Africa machanot. These rules exist to ensure the safety and security of each chanich(a) and madrich(a).**

1. No chanich/a may leave the campsite or group without specific permission from the Machaneh Hanhalla.
2. The use of alcohol and/or drugs of any sort is prohibited at all times, including en route.
3. Theft and/or damage of any camp property, or that of any other person on or off site, is prohibited. The cost of such damage will be entirely the responsibility of the chanich/a and/or parents/guardian.
4. Intimidation and bullying of fellow chaverim is prohibited.
5. Continual disruptive and destructive behaviour will not be tolerated.
6. Weapons of any kind (including pocket knives) and "raiding" equipment is prohibited.
7. Chanichim under the age of 18 may not smoke during Machaneh. Channichim over the age of 18 require a letter of consent from a parent/guardian stipulating that they are aware that the channich/a smokes. Netzer South Africa strongly discourages smoking.
8. Cellular phones will be confiscated for the duration of Machaneh from chanichim.
9. No food is to be brought on site. Food en route must be finished before reaching the campsite. Food found to be in possession of a chanich/a will be confiscated. This is to avoid food becoming an issue for bullying, competitiveness and theft situations.
10. Attendance at all meals and activities/programmes is compulsory.

Items 2, 3, 5 and 6 can be criminal activities and Netzer South Africa will not protect perpetrators from the law.

Items 1, 2, 3, 4 and 5 are offences for which the camper will be sent home immediately. The travel costs incurred will be at the chanich/a's own expense.

**We strongly discourage bringing any valuables to camp.**

**Netzer South Africa does not take responsibility for the loss and/or damage of any property brought on site and/or confiscated.**

**The Hanhallah has the right to take appropriate disciplinary action at their discretion including:**

1. Sending a chaver/a home at the cost of the family concerned. Permanently banning a chaver/a from the movement

**Netzer South Africa reserves the right not to refund any monies received.**
